## Support Education Advocacy

At the Attachment & Trauma Network, it is our mission to:

Support families parenting children with trauma and/or attachment issues through education, mentoring, advocacy, and local/regional resources, and to develop awareness of trauma and attachment-related issues in all child centered environments (schools, doctors' offices, foster/adopt community, legislative).

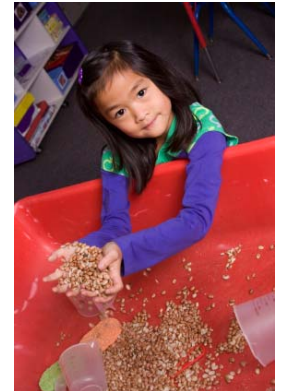

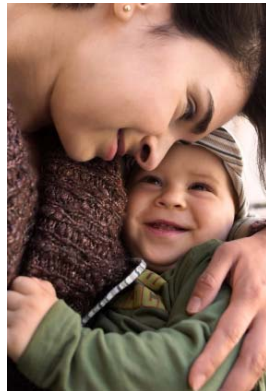

Attachment & Trauma Network, Inc. (ATN)

P.O. Box 164

Jefferson, MD 21755
